1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

In the Specification:

At paragraph [0001], "now abandoned," has been inserted after "November 14, 2001," so as to update the status of the parent application to this CIP.

In the Claims:

Claim 29, line 1—"6" has been replaced by "1";

Claim 30, line 1—"6" has been replaced by "1".

With applicant's 26 April 2006 amendment, claim 6 was canceled, with its limitations being incorporated into claim 1. Claims 29, 30 were left dependent upon canceled claim 6, an apparent typographical oversight. This amendment corrects the claim dependency.
